

Registration Now Open!

2024 Annual New York State Hepatitis C & Drug User Health Conference

Full-day Virtual Program

Wednesday, September 11, 2024 • 8:45am–4:00pm

This free event is tailored for clinicians practicing in New York State. Join us to learn about strategies to improve access to buprenorphine treatment, clinical updates in hepatitis C virus, legal advocacy for patients who use drugs and more!
