WHAT ATTENDEES ARE SAYING

"I loved the conference and found the topics very relevant. This was my first time attending and getting updates from experts who are not only doing the studies and but are also caring for patients was really helpful. I also liked that the conference really embraced the team approach to care."

- ACTHIV 2024 Attendee

About ACTHIV®

The American Conference for the Treatment of HIV®: ACTHIV® is the premier conference in the US dedicated exclusively to the frontline care team and its members who are caring for persons living with or at risk of acquiring HIV. The conference delivers information on new developments and research findings that can be rapidly translated and directly applied to the clinical setting.
