presents

Creating an LGBTQ+ Affirming Practice for People Who Use Drugs

FEBRUARY 21, 2024 • 12:00-1:00PM

Learning Objectives

1. Explain the importance of using affirming language during a medical appointment.
2. Describe inclusive and affirming ways to obtain medical and social histories from LGBTQ+ people who use drugs.
3. Describe ways to create an inclusive and affirming space for LGBTQ+ people in substance use treatment programs.

This training meets the DEA education requirement on substance use disorders

Presented by

Noelle Marie Javier, MD
