HIV Counseling and Education: Provider Best Practices for HIV Testing

LEARNING OBJECTIVES

1. Identify best practices for HIV pre and post-testing procedures, including informed consent and HIV testing education.
2. Review how to best deliver positive or inconclusive HIV test results.
3. Discuss how to best incorporate Motivational Interviewing techniques throughout the HIV testing and counseling process to facilitate ongoing care for newly identified HIV-positive patients.

CME Accreditation/Certification:

The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE Statement:

The University of Rochester Center for Nursing Professional Development is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

1 Nursing Contact Hours will be provided.
