Thursday, March 30, 2023
3:00 - 4:00 pm

Presented by:

Jonathan Giftos, MD

*Assistant Commissioner,
BADUPCT, NYC DOHMH*

Learning Objectives

1. Discuss the key guiding principles of harm reduction in the context of working with individuals who use drugs
2. Understand the evidence demonstrating how harm reduction approaches can improve patient engagement and clinical outcomes
3. Describe harm reduction techniques or skills that a practitioner can employ in his/her practice in the near future
4. Discuss harm reduction in New York State
