Immune Reconstitution Inflammatory Syndrome (IRIS): "Why is My Patient Getting Worse?"

Tuesday, July, 9, 2024

12:00 PM - 1:00 PM

[Register here!](#)

LEARNING OBJECTIVES

1. Define the Immune Reconstitution Inflammatory Syndrome (IRIS) and its characteristic features in patients with HIV.
2. Identify patients with HIV who are increased risk of developing IRIS after starting antiretroviral therapy.
3. Determine the optimal time to start antiretroviral therapy in patients with HIV and different opportunistic infections.
4. Describe the role of corticosteroids in the prevention and treatment of certain types of IRIS

James C.M. Brust, MD
Associate Professor of Medicine,
Albert Einstein College of
Medicine

CME Accreditation/Certification:

The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE Accreditation:

The University of Rochester Center for Nursing Professional Development is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. 1.0 Nursing Contact Hours will be provided.
