Integrating Harm Reduction into Every Clinical Encounter

[REGISTER HERE](#)

DECEMBER 13, 2023
12:00-1:00PM

LEARNING OBJECTIVES

- Discuss the guiding principles of harm reduction in the context of working with individuals who use drugs.
- Describe harm reduction techniques and communication skills that clinicians can employ in their practice.
- Identify the ways that harm reduction approaches can improve patient engagement and clinical outcomes.
- Describe common barriers and methods to overcome them when delivering clinical care to people who use drugs.

Linda Wang, MD
