

INTENSIVE CLINICAL PRECEPTORSHIP PROGRAM: **Centering Harm Reduction in Hepatitis C Care**

This clinical education program is designed to provide New York State-based clinicians with an intensive experience focused on enhancing knowledge and competence in hepatitis C care and treatment, specifically among people who use drugs. It is provided by the New York State Department of Health AIDS Institute Clinical Education Initiative (CEI)'s **Hepatitis C and Drug User Health Center of Excellence** in collaboration with the Center for Hepatology Care at the Erie County Medical Center, otherwise known as La Bodega.

Program Expectations

- 01** Attend Preceptorship Program opening webinar **April 4, 2023 3:00-4:30pm**
Program overview, participant introductions, introduction to La Bodega and case discussion
- 02** Complete pre-recorded CEI trainings prior to clinical shadowing
- 03** Attend one 8-hour day of in-person clinical shadowing **April 10-28, 2023**
- 04** Attend Preceptorship Program closing webinar **May 23, 2023 3:00-4:00pm**
Program debrief and participant Q&A

Clinical shadowing will take place in-person at La Bodega in Buffalo, NY.
