JOURNAL CLUB WITH THE SEXUAL HEALTH CENTER

A NEW CEI PROGRAM FOR CLINICIANS!

Join this quarterly journal club where new and noteworthy peer reviewed literature will be used to:

- Describe diagnostic and treatment strategies for sexually transmitted infections (STIs).
- Discuss innovations in public health and clinical medicine to address rising rates of STIs.

- Articles will be provided to registrants 2 weeks before the session.
- Participants are encouraged to read articles before the session and engage in discussion with journal club members during the session.

 **JANUARY 22, 2025**
